ABDUL AMEEN

Full Stack Python Developer

Hyderabad, Telangana | +91 7993959639 | abdulameen200@gmail.com

GitHub | LinkedIn

Professional Summary

Computer Science and Engineering graduate with hands-on project experience in Python, Django, ReactJS, JavaScript, and relational databases. Skilled in developing responsive web interfaces, implementing CRUD functionality, integrating frontend and backend components, and working with REST APIs. Experienced in collaborative development through internships and academic projects, including team leadership for Eco-Track AI. Seeking an entry-level Full Stack Python Developer role to contribute to web application development.

Technical Skills

Programming Languages: Python, JavaScript (ES6)
Backend Technologies: Django, Django REST Framework, REST APIs
Frontend Technologies: ReactJS, HTML5, CSS3, Bootstrap, Redux
Databases: MySQL
Core Concepts: Object-Oriented Programming (OOP), CRUD Operations, API Integration
Web Development: Responsive Web Design
Developer Tools: Git, GitHub, Visual Studio Code
Other Skills: Debugging, Problem Solving

Internship Experience

Java Full-Stack Intern *May 2025 – June 2025*
Rashtriya Ispat Nigam Limited, Visakhapatnam Steel Plant

- Tested and validated enterprise application modules using Java and web technologies to verify functionality, application reliability, and functional correctness.
- Troubleshot application issues in collaboration with the development team and supported debugging and application quality improvement.

Web and Mobile Application Development Intern *May 2025 – July 2025*
Datavalley India Private Limited

- Developed and refined user interface (UI) components and resolved bugs across web and mobile applications.
- Improved responsive web layouts to support usability and consistent display across different screen sizes and devices.

Projects

Eco-Track AI – Sustainability Platform GitHub
Technologies: ReactJS, Tailwind CSS, Python, Django, scikit-learn

- Led the project team and coordinated development of a sustainability platform for tracking carbon emissions across multiple categories.
- Developed responsive dashboards and analytics interfaces using ReactJS and Tailwind CSS to visualize emission trends and category breakdowns.
- Integrated Django APIs with ReactJS to deliver carbon calculations and ML-based predictions.
- Added interactive analytics and CSV/PDF exports for emission tracking and reporting.

Online Job Portal – Recruitment Platform GitHub
Technologies: Python, Django, ReactJS, MySQL

- Developed a Django and ReactJS recruitment platform for job listings, candidate search, authentication, and applications.
- Integrated ReactJS, Django REST APIs, and MySQL for frontend-backend communication and data management.
- Implemented CRUD operations for job listings and applications.

AMEZA – E-Commerce Web Application GitHub | Live Demo
Technologies: ReactJS, JavaScript, HTML5, CSS3, Redux

- Developed a responsive e-commerce application with product listings, detailed views, and shopping cart functionality.
- Built reusable ReactJS components to create a modular and maintainable user interface.
- Implemented Redux state management and JavaScript interactions for cart updates and improved user experience.

KiranaKart – Grocery Shopping Website GitHub | Live Demo
Technologies: HTML5, CSS3, JavaScript, Bootstrap

- Developed a responsive grocery shopping website with product categories, listings, and promotional offers using HTML, CSS, JavaScript, and Bootstrap.
- Implemented JavaScript interactions to improve product browsing and user experience.
- Applied Bootstrap's grid system and responsive components to ensure mobile-friendly layouts across devices.

Education

B.Tech in Computer Science and Engineering *2022 – 2026*
Krishna University College of Engineering and Technology CGPA: 8.0/10
Intermediate – MPC Percentage: 84.4%
Narayana Junior College
SSC GPA: 10.0/10
Narayana E.M. School

Certifications

- Machine Learning with Python – Embrizon Technologies
- Artificial Intelligence Fundamentals – IBM
- Prompt Engineering and Advanced ChatGPT
- Communication Skills Certification
